## PROFESSIONAL EXPERIENCE

---

### Mobile Application Developer

**OCTOBER 2020 – PRESENT**

#### The Scooty Fund, REMOTE

Working with a team of two others to build a fully functioning mobile app for The Scooty Fund, a non-profit. Their mission is to promote, support, and advance culture surrounding mental health and wellness in ways that enhance the lives and well-being of young people.

- The primary technology used will be React Native
- Application will include features such as user authentication, social media integration, wellness tips, and more TBD

**Xbox/Xbox Game Pass Senior Community Manager**  
**Microsoft (Consultant via JeffreyM Consulting), Bellevue, WA**

**MAY 2016 – PRESENT**

Senior Community Manager reactively and proactively monitors Xbox and Xbox Game Pass social media accounts, while also creatively brainstorming and contributing copy ideas for channels. As the lead community manager, it is my role to create a fun and engaging environment for the community, while acting as a positive role model for the team.

- Contributed to 58% increase in post likes and reactions over 6-month period and completed 11K+ engagements yearly
- Prompts positive conversation with community by reactively engaging on Xbox social media channels including: Twitter, Facebook, Instagram, TikTok, and YouTube
- Discovers trending topics, themes, consumer interests and needs across social media for weekly reporting to improve overall customer experience
- Brainstorm campaign and proactive post ideas with Xbox marketing team based on current trends in the video game industry, leading to success in reaction numbers while engaging with influencers and customers
- Has produced multiple pieces of well-performing content resulting in 5K+ likes on Twitter

**Social Listening Manager**

**JULY 2017 – DECEMBER 2017**

Hired for a contract role within same employer (JeffreyM Consulting) to support a confidential project for Microsoft managing a team of six contractors.

- Compiled keyword lists and scanned social media channels for relevant keywords for reporting purposes, in addition to maintaining up-to-date document for team usage
- Scheduled and performed weekly 1:1s, along with performance reviews
- Participated in team bug bash events to test new product features

**Content Manager**

**TaskEasy, Salt Lake City, UT**

**SEPTEMBER 2014 – MAY 2016**

As a Content Manager, I wore many hats at this startup working as the primary copywriter, contributing engaging content to the business website, while also manning the company blog and handling the marketing emails. The opportunity to work on such varied tasks created for a great learning experience and introduced me to coding by way of HTML and CSS.

- Wrote engaging copy, designed, and monitored all company marketing and informational email campaigns using Mailchimp templates and additional HTML/CSS
- Redesigned all company transactional emails (order confirmation, order updates, etc.) in Photoshop and created HTML/CSS templates based on design mock-ups to make more user friendly
- Researched and wrote fun, but informative yard care related content for company website and blog
- Took lead on brainstorming sessions with team to spark new ideas for email campaigns, blog posts, and marketing promotions
